Professional Experience

IT Team Leader & Event Organizer
GJU Society Club
2022 – 2023
- Spearheaded technical operations for a high-profile school challenge event, designing custom PowerPoint macros to streamline interactivity and improve user experience.
- Organized and managed university-wide events, ensuring seamless coordination with over 200 participants.
- Developed leadership and problem-solving skills by mentoring team members and resolving technical challenges under tight deadlines.

Languages

- Arabic: Native

- English: Advanced

- German: Intermediate (B1.2 Certified)

Key Achievements

- Secured a DAAD scholarship to study in Germany, enhancing cultural adaptability and language proficiency.

- Developed PowerPoint macros for a school challenge event, dynamically enhancing interactivity for scores, questions, and countdowns.
  - Recognition: Received Certificate of Appreciation for outstanding contributions as the IT Team Leader.

- Volunteered at the King Hussein Cancer Center and Orphans' Center, contributing to social impact and community welfare.

Additional Activities

- Board Member, GJU Society Club: Organized community-building events fostering engagement among students.

- Football Player: Represented school and local teams, honing discipline and teamwork.

- Hobbies: Freehand drawing, traveling, and hiking.

About Me

I am a goal-driven individual passionate about technology, leadership, and personal growth. My academic and extracurricular achievements reflect my dedication to learning, collaboration, and problem-solving. With a strong foundation in computer science and hands-on experience in technical projects, I am eager to contribute to innovative and dynamic environments.
